800-TAX REFUND will use this worksheet to prepare your Federal Schedule E (Rental Income for up to three properties). If you purchased equipment or rental property during 2017 or if you made substantial improvements to any of your rental properties in 2017, then a Form 4562 (Depreciation and Amortization) may have to be prepared for each property which placed the assets in service. Our fee to prepare each Federal form is \$25.00 apiece, which will be added to the \$135.00 Tax e-form base fee.
