GUIDELINES FOR DEDUCTING NON-CASH CHARITABLE CONTRIBUTIONS

If you donated a single item or a group of similar items, other than publicly traded securities, that you value at over \$5,000, you cannot use this worksheet -- a signed Declaration of Appraiser must be obtained for donations valued at over \$5,000. Publicly traded securities valued at over \$5,000 can be deducted using this worksheet.

Describe the donated property below in sufficient detail. Generally, the greater the value, the more detail you should provide. Please use whole dollar amounts in the Cost and Value fields. For each individual donation with a claimed value of \$250 or more, you must have a receipt showing the name, address, and phone number of the donee organization with a description of the items donated.
